Re: MAT Program Announcement to Community

Note: A zoom invite/to follow

A zoom webinar will be facilitated to introduce community providers to the BCDF SCOR MAT program (launched Tuesday 8/11). This will be an opportunity for our community partners to meet the BCDF players, learn the program parameters, understand our workflows, query what is helpful on the receiving end, ask questions, etc.

Agenda: 11:30-11:45 Introductions, Welcome from the Sheriff and/or Command Staff

11:45-12:30 Program criteria and logistics

12:30-12:45 MD/Provider questions

12:45-1:00 Clinical/Case Management questions

1:00-1:15 General questions

1:15-1:30 Final thoughts and programming projections

It would be ideal if you all are able to join for introductions, and more as able.
