Greetings Cheetah Families,

Â Â We had a great trip to the NC Arboretum on Friday. We measured tree trunks, explored the forest while playing "tree bingo", toured the bonsai garden and learned a lot about our leafy friends!Â I've attached some photos of the kids having fun and learning all about trees on the first day of fall!Â Big thanks to the parent chaperones who joined us: Natascha, Joseph, Jana, Terrence and Eleanor!Â

Please mark your calendar for the following upcoming fieldtrips:

- Wed, Oct. 4th Â MANNA Foodbank (service learning trip)
- Friday, Oct. 20th UNCA Botanical Gardens with West for Nature Awareness
- Friday, Oct. 27th Â Theater performance (" Pete the Cat") at Diana Wortham

More details about these trips coming soon!

I hope your family is having a wonderful weekend :-)

With Care,

Rachel
