

**San Francisco Police Department**  
**Professional Standards and Principled Policing Bureau**  
**Response to Request for Information**

**Requestor:** Sunshine Request; records@sunshinerequest.com

**Date of Request:** June 18, 2018

**Request:** The average officer staffing per capita – the number of police officers per citizens in San Francisco.

**Response:**

San Francisco Resident Population: 884,363

Number of San Francisco Police Officers: 2,310

(Police Officers/Population) x 1,000 = 2.6 Police Officers per 1,000 Residents

(Police Officers/Population) x 10,000 = 26 Police Officers per 10,000 Residents
