Hey Patrick,

It's time for sample ballots again. This time we just have one ballot style and it's 8 ½ x 14. We would like to have those printed on yellow paper, bound in 100s and since the ballot isn't as long we would like to go back to printing on the smaller size. I believe it was 5 ½ x 8 ½ .

Total quantity is 8,000.

Let me know if you have any additional questions.

Thanks so much,
Jennifer
