Happy Summer to all! Hope everyone is having a cool and exciting summer! Please take the time to explore the [National Forum Hot Topics Webinar Series: Equipping Coordinators with Tools for Equity](#), as each webinar comes with great insightful information on best practices to removing or maneuvering obstacles to increase equity for our children and families with high needs. The three-part webinar covers everything from student achievement for Latino/a/x students to addressing chronic absenteeism.

Bruce Waller may have just jumped into his job as coordinator at Asheville Middle School this past January, but that hasn't stopped him from growing their Homework Diner from a handful to hundreds of participants. Learn how Waller built out robust programming to engage families and student voices in this month's [Coordinator's Spotlight.](#)
