Good Morning Sunshine Request,

You have made a public records request to the City of Kannapolis of NC for “sworn officer salaries from 06/01/2018 - 01/01/2019.” You have requested to “receive those documents in an Excel format with the officer's names, ranks and current salary.”

While I am happy to provide public records upon request, I do not have an existing report or record that provides the requested information.

Good Afternoon City of Kannapolis,

We wanted to follow up on this request and confirm that you had received it and have begun processing?

Thank you,

Sunshine Request

Good Afternoon City of Kannapolis,

Hope you've been well! Just wanted to follow up on the request we had sent in last week and see if there was any update.

Thank you!

Have a good day,
Sunshine Request

Good Afternoon City of Kannapolis,

I work for a website called Sunshine Request www.sunshinerequest.com. We built a site that makes it easier to make public records requests by filling out a simple form, and the results of any requests are posted on our site. This allows citizens to learn more about our local government, while saving staff from having to fulfill duplicate requests. If you have any questions about the project, please let me know, and I'll be happy to answer.

We received a request for information that may be available in your office. If you all are not the appropriate contacts for this request, can you please tell us who is the appropriate contact where we should send records requests in the future? Thank you!

Here are the details of the request:

Subject: Kannapolis, NC Sworn Officer Salaries

Message:

"I would like to make a public records request to the City of Kannapolis, NC for sworn officer salaries from 06/01/2018 - 01/01/2019. I would ideally like to receive those documents in an Excel format with the officer's names, ranks and current salary.

Thank you very much for your assistance with this request!"

Thank you for your assistance.
Have a great afternoon!
