Mayor Manheimer,

Most of my questions regarding process have been answered by Councilwomen Wisler and Mayfield.

Thank you for your consideration,
Kim

Maymor Manheimer,

Kim Roney here, from the Multimodal Transportation Commission and Transit Committee. I am certain you have a busy schedule this weekend, but I wonder if you might have time for a tea break or quick phone call on Monday before 2pm. Mostly, I have important questions about the process regarding the management company rfp for the city's transit system.

Thank you for your consideration,

Kim
