---

Will get these answered, Kim.Â

I have heard the rumors are false, but questions still remain:Â

1. Do we send APD officers outside of City limits? If so, to what locations in the past year and what is the fiscal impact?
2. Does APD have a policy regarding working out of jurisdiction? For example, I have witnessed collaboration at check points between Buncombe, Woodfin, and Black Mountain officers. Another example: I know that AFD helped with regional fire-control efforts a couple years ago, so surely there's precedent for the City to contract and budget their employee hours.
3. Can APD officers be contracted by departments in the state to work when they are not on duty here?
4. Can APD contract officers from other departments to work here?
5. If yes to #3 and/or #4: Under which municipality would the officer be held responsible for misconduct and/or receive a proclamation of acclaim? For example, if an officer from the county went the extra mile by pulling someone out of a burning vehicle in Asheville, I imagine they would receive praise from both their local department and Asheville. If an APD officer had a complaint that required evaluation from an incident in the county, would be handled by the Asheville authorities?Â

Thank you for your consideration,  
Kim

Update: It appears the APD presentation will be included in the October work session.

Brian, Keith, and Sheneika,

There is a rumor that APD were sent to this event:Â [https://www.facebook.com/DefendUNC/videos/1774010689364381/?hc\\_ref=ARQJPq37tF52MJGhrTiChRNJ3xReWd30wj48Xv0wXjrjST3sDKftvGKFrO-noHe21jU&fb\\_dtsg\\_ag=AdyT2Uj2TLU-MEdzPnX7ZTJZIQPre5qCbSpiGdB1g-2jaA%3AAadzoloOvIfIz2L3Gwq2Z6U6Jp6SJM27WZcEU7Hi9liLawg](https://www.facebook.com/DefendUNC/videos/1774010689364381/?hc_ref=ARQJPq37tF52MJGhrTiChRNJ3xReWd30wj48Xv0wXjrjST3sDKftvGKFrO-noHe21jU&fb_dtsg_ag=AdyT2Uj2TLU-MEdzPnX7ZTJZIQPre5qCbSpiGdB1g-2jaA%3AAadzoloOvIfIz2L3Gwq2Z6U6Jp6SJM27WZcEU7Hi9liLawg)

I think an important question before the work session on 9/25 could be: Do we send APD officers outside of City limits? If so, to what locations in the past year and what is the fiscal impact?
