Subject: Follow Up on W1 Question from HCD

Council Persons Mayfield, Smith, and Young,

Following up on TMP phasing in regards to W1 frequency of service from today's HCD meeting, the increase in frequency from 60 to 30 minutes will not happen until year 5, as seen on page 86: <https://www.ashevillenc.gov/civicax/filebank/blobdload.aspx?blobid=31151>

My apologies, I should've said that I wasn't sure. I thought the streamlined routes with the East-bound service was meant to address that frequency in year 1.

Kim
