Mayor Manheimer and Council,

Please note the forwarded alert.Â

At this week's council meeting, the quarterly transit report included information about missed trips that I cannot confirm from reports available to the Transit Committee and MMTC. I have attached the September report, which shows 11 missed trips due to lack of bus availability, and 13 due to buses breaking down. If we went from 24 to zero in a month, that is something to celebrate.

Thank you for your consideration, and for continuing to prioritize transit!
Kim
