Subject: budget info

Councilwoman Smith,

Here's the budget document I referred to in our recent conversation: https://drive.google.com/file/d/0BwKb_7xq91S2a21VOzF1MkpkcZaU2RoV2hKN1FXVVF3ZEdB/view

1. The current projection is related to the numbers already committed on page 4
2. The *new* Council priorities coming out of the retreat start on page 6 and are named on page 7
3. The question I am hearing from the community: Can funding named on page 4 be scaled back to fund the new priorities named on page 7, especially transit and the Equity & Inclusion Manager office?

Thank you for your consideration,
Kim
