Subject: Letter to Chief Hooper Regarding Police Misconduct and Community Standards
Attachments: [Letter to Chief Hooper.rtf](#)

Mayor Manheimer, City Council, and Mr. Jackson,

As a piano teacher who works with children and as a pedestrian, I am among the Ashevillians outraged by the situation with Officer Shalin Oza approaching student-aged persons with an assault rifle this week.Â

I have attached my letter to Chief Hooper so you might know my position, especially in regards to community standards.

Thank you for your consideration,
Kim
