Mayor Manheimer and Council Members,

I have attached my comments on the draft of the Transit Master Plan. I will gladly be available if you have questions or comments.

Upon reading the first draft of the TMP, I was prepared to advise that it be thrown in the recycling bin immediately. I'm thankful to say that the consultants have been receptive to community input, and with some additional action steps, this might become a useful plan after all.

Here's the link to the draft TMP:Â <http://www.ashevillenc.gov/civicax/filebank/blobdload.aspx?blobid=30270>

Respectfully Yours,  
Kim
