Hello Mr. Luker,

Thank you so much for taking time to come to Blue Ridge School and speaking to students about your position as a County Commissioner. Your audience of students will be 4th through 8th graders, and we expect 7 to 14 students per group.

The Guidance Counselor is putting final touches on the schedule for Friday the 10th and would like confirmation regarding your schedule. We are expecting you for the first session, but didn't know if you will be staying for the other two 30 minute sessions beginning at 9:55 and 10:30?

Thanks again! We look forward to your visit.

Vicky Robson

Vicky - I can stay for the other two sessions but I would need to speak as soon as possible at the 10:30 session as I have another appointment after lunch... Thanks!

Mickey
