Hi Ladies,

I just wanted to touch base. Based on the feedback the team gave me, I've given the project to Dan. He is going to work with the information and design something. I spoke with Status Forward and they didn't believe we had enough budget to create something similar to the samples.

The outline is availableÂ [REDACTED] if there is anything else you need to add.Â Â Â

I apologize for the delay and Status Forward design. Thank you Dan in advance for creating something cool.Â
