When is the next Professionals of Color Luncheon? It would be great if Paul could present and answer questions.

Hi All,

Have you heard about the City's Down Payment Assistance Program?

Beginning this spring, the City's Down Payment Assistance Program (DPA) will make a total of \$1.4 million available to qualifying individuals and families to help them buy a home. The funding comes from \$1 million in bond money and through public private partnership with the Federal Home Loan bank (\$400,000).

Learn more by clicking [here](#).

Thank you!

Paulina
