Hi David,

It would be great if you could help correct misinformation that is circulating in the community and report on how quickly this information was provided to you.

On background, no one was denied access to the policy. That was misreported in the AC-T and has since been corrected.

Best,  
Dawa

Good afternoon,

This is an open records request for the current use of force policy for the Asheville Police Department, including protocols and procedures for officer-involved shootings.

Thank you for your help in this matter.
