**Subject:** More information about body camera implementation/backlog and use of dash cams

---

Good afternoon,

At the Citizens' Police Advisory Commission meeting last Wednesday Chief Hooper mentioned that there had been delays in rolling out the body cameras as planned (starting with the public housing unit) due to a "backlog." Please provide some more information on the nature of this backlog, including what parts or pieces had not arrived by July 1 and how it affected the implementation of this equipment.

Also: how many dash or vehicle cameras does the APD have? What units have them? When are they deployed and what are the protocols for their use?

Thanks for your help,

David Forbes
