PRESS RELEASE: Asheville City Council to hold affordable housing worksession

Ã
On Sept. 6, Asheville City Council will hold a worksession on affordable housing. The session will take place from 8:45 a.m. to 1:00 p.m. in the U.S. Cellular Center Banquet Hall, 87 Haywood St.Ã
Ã
The goal of the session is to review the realities of local affordable housing needs, barriers to building affordable housing and the role of the City as a partner. Staff and outside speakers will present information on how we move forward together as a community to address this important challenge affecting many residents.Ã

The format, including presentations, will be a roundtable discussion. Please note that this is a Council worksession and there will be no public comment unless Council specifically asks questions of individuals in the room.
Ã
Conversation will focus on the complexities around this issue. The goal is to identify the most effective tools the community can use to address the affordable housing issue.
Ã
Anyone unable to attend can watch a live stream of the meeting on the City’s YouTube Channel at [youtube.com/user/CityofAsheville](https://www.youtube.com/user/CityofAsheville).Ã Afterwards, a recording of this worksession will be available for viewing at any time.
