David,

Good afternoon. Attached please find the **draft** minutes for the February CPAC meeting. The staff member responsible for posting CPAC minutes posts them to the website only after they are approved. Since these meetings have not yet been approved they have not been posted online. If approved, these minutes will be posted following the April 5th meeting.

Thank you,
Christina Hallingse

Subject: Questions re: CPAC minutes and records request for emails

Good afternoon. I'm researching a piece about CPAC, its role, challenges, recent history etc. In the process of looking over its records and agendas I realized that the minutes for its February meeting are not up on the city's website. This is a records request for a copy of those minutes and a notification of when they are posted and made available to the public.

This is also a records request for all emails and correspondence between any committee members, including Chair Larry Holt, city staff and community members regarding the scheduling and format of the March 1 meeting including â€” but not limited to â€” the decision to have APD officials absent from that meeting.

Thanks for your help.

Sincerely,

David Forbes
