Sue, could you provide me with some information on mobile LPR and your experience using it?

Thank you,

Once the person leaves the institution, their permit is turned off. We use mobile LPR and are able to identify if a vehicle has an active permit or not.

How do you deal with Faculty/Staff who no longer work at your institution but still have valid permits and therefore could continue to park on campus?

Be well,

Carl

At Oregon Health and Science University (OHSU), we do have multi-year permits. We'd be happy to discuss how we do this with you – contact me and I will put you in touch with the right people on my team. Thanks!

I know most schools have a parking year that starts on one date and ends on another. Does anyone have permits that are multi-year? If so, I would like to speak with you regarding how you have that program implemented in T2 Flex.

Thanks!
