

Hello Sunshine Request,

Here is what I have for this request:

1. I'd like to know what was the total # of sexual assaults (any) reported by month to the Sheriffs' department.

We cannot provide stats for "sexual assaults" as that is not a specific charge. I have included offenses falling under the category of "Forcible Sex Offense" which includes "Sex Offense" – "Fondling" and "With Object", "Rape", "Statutory Rape", "Indecent Liberties with a child." I've also included and "Sexual Battery."

I think this meets the criteria of the request.

	1	2	3	4	5	6	7	8	9	10	11	12
2017	7	8	7	15	20	20	20	17	8	15	16	12
2018	10	12	13	11	14	10	7	4	7	13	13	6

- 2. What was the number of those accepted for an investigation, and how were they closed (especially if the ADA refused to prosecute or "victim refused")?**
3. Of those where you did do an arrest, what were the number of dismissals by the court?

All of those cases in the chart above have been "accepted for investigation."

	2017	2018
Closed/Cleared by Arrest	31	29
Closed/Leads Exhausted	6	6
Exceptionally Cleared	84	46
Further Investigation (Open)	1	4
Inactive	0	1
Unfounded	43	34

We do not have data on case disposition beyond arrest. You would need to contact the courts for that information.

4. What was the number of male vs. female victims, the victims' races, and ages in the following ranges (less than 0-10, 11-20, 21-30, 31-40, 41-50, 51-60, 61-70, over 70)? Please break this information down by year.

We do not have any records response to this request or a way to quickly output that

information from our database. This level of data would require a significant number of hours to compile by manually reviewing case files.
