Good morning sir. This is [REDACTED] I was wondering if there was a good time to meet with you about possibly coming to work for HPD. Very long story but I would love the opportunity to share it with you. I believe that I would be a great fit there and be able to accomplish a lot of great things with you guys! I know that Anthony Roberts met with Chief Hoyle about this and they advised me to reach out to you to possibly set up a meeting. Thank you sir!

That's sounds good. I'm pro a sly tied up this week, but can find some time next

6:13

can find some time next week. Just let me know when you're available and I'll get a meeting set up.

Ok great. 3pm Monday work?

I'm good with that. Let me check with the chief and I'll confirm.

Thank you sir

Monday will work for us.

Ok great. See you at 3 at the HPD.

I also just secured a \$10k donation for HPD emergency needs fund! Check will arrive soon!

I decided to postpone the command interview for the first guy tomorrow, even if he passes oral board. So if you're able to, I'd only need you for the second candidate at 11 if she passes.

The first guy has lots of school transfers and job changes, I'm worried about instability.
