I just don't have anything.

Chief,

The only way I have of you is in your former department uniform, which I wouldn't suggest using for this. Is there someone up there who could take a headshot of you (doesn't have to be in uniform) against a plain backdrop.

Note: we do need to get a photo of you in your APD uniform.

Hi Debra and Chief Zack,

I made one suggested addition, highlighted in yellow.
This version incorporates the Mayor's edits.

The newspaper is holding a spot on the Sunday editorial page for this submission.
They can accommodate up to 750 words. This is currently in the neighborhood of 470 words.
Let me know if you want to submit it as is or if we feel there is more to say.

I told Christina we will need a head shot of Chief Zack to go with this. I don't know if you have your uniform up there but if not, just get someone to take a head and shoulders photo against a neutral background, such as a wall, and send it to me please.

Thank you,
Polly

I made a couple of edits, I used track changes, let me know if you can/can't see them.

I wonder if the last sentence shouldn't be followed by one more talking about training, education, culture changes to prevent this type of thing.
