Hey! I like it! Are you doing only stories? I feel this can be a good post as well and can potentially be a good segue for future posts. What do you think? (Made a small edit to your write up below).

Hey there!

Just wanted to share the thought with you that we would like to showcase a few of the very sweet "thank you" cards we received from children in our communities. We know this is a very tense time in Asheville but we cannot forget to demonstrate our appreciation for such great support. I was thinking about putting the message below along with the card photos in our instagram and facebook STORIES.

"We  
*want to extend our sincerest THANK YOU to every single person who has reached out to us these past few weeks, showing their incredible kindness and support.*"
