Subject: Hello, Sandy. Post for Monday..

Hey there!

Just wanted to share the thought with you that we would like to showcase a few of the very sweet "thank you" cards we received from children in our communities. We know this is a very tense time in Asheville but we cannot forget to demonstrate our appreciation for such great support.

I was thinking about putting the message below along with the card photos in our instagram and facebook STORIES.

"We want to extend our sincerest THANK YOU to every single person who has reached to us in the past few weeks, showing their incredible kindness and support."
