Why is your opinion, for this video, on which way to go?

Hi Christina,

On this email is Ken Pritchett. He will send you a Dropbox link to upload the content we need to put the video together. Ken can you tell Christina what we will need?

Also, Ken will be the main point of contact for the video. He is the one who puts it together and goes through the material. Of course, I'm always here to help as well.

Lastly, we do these videos two ways. One way can be with the Chief introducing the video on the front end and coming back at the end of the video to conclude it. The second way is with no chief in the video. We will need to know which route you want to take before we get started.

Ken will be reaching out shortly. His number just so you have it is 707-319-2560.

We'll be in touch.
