Those employees working at business which provide necessary goods and services, such as groceries, are permitted to travel to and from their places of work during the curfew period. People should, however, expedite their trips by avoiding any unnecessary travel or lingering in public streets.

Hello there,

I am the HR Manager at Mother Earth Food and we have employees scheduled for a 6am shift tomorrow as well as 5am shifts on Th, Fri, Sat. We also tend to work until 9:30/10 or even later sometimes. What is the curfew policy for essential workers. We are a food delivery business.

Is there any way I can get something in writing that allows our employees to be on the road to travel to and from work?

Thank you.
