Polly,

I have done a first draft of those questions that I am best suited to respond to. Let me know if you, or anyone, has questions or needs assistance with the remaining FAQ's.

 [Curfew FAQ 06022020](#)

Hi Brad,

I have started an FAQ about the curfew and need you to fill in quite a few of the answers. Some will need to come from APD.

Beth is working with equity to see if there are other questions that need to be inserted here but we want to get started on this as soon as possible to expedite getting the information to the public.

Let me know how I can help in any way here, other than this. I understand we will have a PR about the curfew proclamation as well.

Thank you,
Polly
