City of Asheville Mayor Esther Manheimer has issued a curfew following two nights of **unrest and destruction of property** in downtown Asheville. The curfew will run from 8 p.m. to 6 a.m. as she has declared a city-wide state of emergency.

The Mayor issued the following guidelines for the curfew:

- Requires individuals to remain at home with the exception of medical emergencies and acquiring goods or services that are necessary to sustain the well-being of themselves or their families
- Does not apply to medical professionals, public safety workers, medical or healthcare workers, military personnel, public transportation personnel, public utilities personnel, and media
- Restricts travel within the city limits of Asheville
- Violators will be charged with a Class 2 misdemeanor

The curfew will remain in effect until the Mayor declares it is no longer necessary.

A frequently asked questions document providing additional information on the curfew will be made available via press release and City social media platforms later this afternoon.
