Mr. Blevins,

Thank you for contacting us. Please see below for information shared with me regarding North Carolina law.

All major items placed upon or removed from the old courthouse lawn requires the approval of the Jackson County Board of Commissioners. I will forward your request to the Jackson County Board of Commissioners. In 2015 the State of NC passed a law limiting and regulating a local government's ability to remove, relocate and/or alter these types of statues. I have included a link to an UNC School of Government blog regarding this matter.

I hope this information is helpful.

Best regards,

It is time to remove this. This is an embarrassment to our town and makes Sylva look racist and backwards. There is no valid argument for keeping it.
