Hello Mr. McMahan.

I am a concerned student of WCU who has a letter of opinion on the matter of confederate statues in Sylva.

I hope you will read and consider it deeply

Keanu,

Thank you for your letter. I wholeheartedly agree with the positions that you very eloquently articulated. I am not in favor of removing the statue. Sometimes our history has ugly moment, but it is our history and we must learn from it and let it help us to be better Americans. This statue represents the average Jackson County resident who was involved in the Civil War conflict. It doesn't represent anything else but that. It is an integral part of the historic complex that also includes the old court house.

Thank you.
