Thank you for clarity

Usually the proclamation is in connection with some kind of event (like an awareness month or week, or an event coming up) and we present it at the beginning of council without any vote. They would send a representative to receive the proclamation and say a few words after its read.

I think they want a proclamation. I don't know the difference?

Sure - do we want this as a resolution OR a proclamation?

Thanks,
Maggie

Sheneika " it looks like Durham already passed a resolution or a proclamation. Maybe we can use theirs as a model.

Maggie/Sarah " can you all track down what Durham passed?

Good Morning Maggie,

^

Wanting you to look over this draft esolution supporting a national "Medicaid for All" push that's being led by the National Nurses Union.

^

Draft language is attached. This local group, Health Care for All of Western North Carolina, was hoping to have aproclamation set during a August or September agenda.

Subject: Sample Local Resolution - Medicare For All

Sheneika,

Thanks so much for helping us get this Resolution (below) about Medicare For All in front of the City Council. You will want to put this information on your own or City Council stationary. You will need copies for every one of the Council members and others that you might feel it is appropriate. This is the same Resolution the City of Durham recently passed as well as other cities around the USA. The national effort is led by the National Nurses Union while the Asheville resolution is by the Health Care For All of Western North Carolina. Feel free to make any modifications you might feel appropriate.

The press release will be by
September or August would be a good time to target bring this issue before City Council.
