Council - I also received the below request from Amy Cantrell. Cathy and I talked about this and I am not inclined to move the location of the meeting. Please let me know, by responding to just me, if you feel differently.

Thanks,

Dear Mayor and Council,

I understand that you have had a request to move the location of the June 19th meeting to a larger space. I hope that you are doing all that you can to accommodate this so that we may all be in the same room with one another as so many big topics are being discussed at the only Council meeting in June.

Let's keep taking steps towards experiencing ourselves as a community, having meaningful dialogue as a community, and increasing the opportunities for civic engagement.

Thank you,

Ashley
