Rob,

I have one more request for you, if possible. I would like to share your proposal letter with our City Council in anticipation of their consideration to select Hillard Heintze officially for this project. However, the first iteration of this lists the scope of services as only a review on the one incident involving the medic tent. As you know, we are asking for a full review of the police response to the protests from approximately May 30-June 6. Would you be able to update this in the document and resend to me?

Thanks,

Brad and John,

Attached is a Proposal Letter that outlines what we believe our Work Scope and estimated pricing would be for the incident assessment we discussed on the telephone this last Wednesday. Please know that we are more than open to discuss this Work Scope and pricing estimate to make sure we are meeting your needs. As such, please feel free to reach out to me at any time with any questions you may have. Please know that we would consider it an honor to be able to assist you at this time, and we would be able to initiate work quickly with the team members we have identified.

Regards,

Rob
