Sean,

I was wondering if you heard anything from congestion management (James Dunlop) about the concept of a RABT at Lake Wheeler Road at Carolina Pines Avenue intersection.

We are still waiting for input and I remembered you said they may have 40 days to review, but we may hear something before that time.

Any assistance you can provide is appreciated.

We will be proceeding with the other portions of this design.

We are planning another public meeting this fall to describe the proposed work.

Thank you,

Sincerely,

Amy
