USE OF CONFEDERATE IMAGERY: Commissioner Guiney introduced the following idea:

Use of Confederate imagery on Town of Sylva vehicles and property will no longer be permitted as of July 10, 2020. In the interest of fiscal responsibility this applies to all future design changes but does not apply to imagery currently on Town of Sylva Property.

Guiney explained that the intent was not to erase history but to realize what has happened over the years. He feels that the Town of Sylva should be proactively planning for the future and removing this image going forward would do so. The design of the police badges, cars, and fire department trucks contain the statute image. Chief Hatton reported that it would cost the town approximately an additional \$6,000 to redo the images. This would be in addition to the \$6,000 already spent. Guiney added that making the change going forward would be more fiscally responsible.

Commissioner Guiney made a motion that the use of Confederate imagery on Town of Sylva vehicles and property will no longer be permitted as of July 10, 2020. In the interest of fiscal responsibility this applies to all future design changes but does not apply to imagery currently on Town of Sylva Property.

Commissioner Nestler questioned how this becomes effective and asked if it would be a resolution, ordinance or policy. Attorney Ridenour commented that whatever change is made would be in effect until a future board changes it. Commissioner Gelbaugh expressed her opinion on the monument and noted that she would like to share an idea that would remove writing from the front as a compromise. Commissioner Hamilton noted that front could be made more appealing and appreciates Gelbaugh. Nestler added that he supported removing the statute from town property. Commissioner McPherson expressed that this was the most controversial piece of art he knew of.

It was clarified with the board that this would be a policy amendment and not an ordinance.

The motion carried with a 4-1 vote. Voting in the affirmative were Commissioners Nestler, Guiney, McPherson and Hamilton. Voting against the motion was Commissioner Gelbaugh.

Chief Hatton added that this was not a statement from the police department; they simply added the image as it appears on all photographs not specifically to the statue.

RESOLUTION TO REMOVE STATUTE: Commissioner Nestler presented a resolution to the board requesting that Jackson County remove the Confederate statute from any property in the city limits of Sylva. The Mayor asked for discussion, but Attorney Ridenour suggested that discussion should be on next agenda. Commissioner Nestler began the discussion and Gelbaugh questioned what he thought an appropriate location would be if removed. Commissioner suggested that those who feel the statute is important be involved in deciding the location. Commissioner Hamilton reminded the board that Jackson County will have to decide on whether the statute will be removed.

Commissioner McPherson made a motion to add this resolution to the next meeting, July 23, 2020. The motion carried with a unanimous vote.

ADJOURNMENT: *Commissioner Guiney made a motion to adjourn the meeting at 6:55 p.m. The motion carried with a unanimous vote.*
