Hey Wesley

I left the MOU for the Sheriff to sign and he took it to Heather before I caught him. So she has it. Once she gets your signature back on it, we will just need a copy back.

Subject: Grant Required MOU

Hi Shannon,

The CFW Region Director is requiring us to have a formal and signed MOU between our organizations. I have been advised before that a verbal agreement would suffice but they have now given me different information. I have attached a draft of a very basic MOU that many DV agencies use to articulate a basic interagency working agreement. If you could please look over it and let me know what you think and potentially have it signed I would be very grateful. Any edits that need to be made are completely fine by me. Feel free to give me a call if you have any questions or concerns.

Thanks for your help,

Yes, I have it. The Sheriff dropped it off and asked me to get a fully signed copy back to him. Wes, we have a meeting tonight so I can't drop it off after work but I will in the morning and leave it in the door for you since I come by around 7:50am. You can just sign and get a fully signed copy back to Shannon if that works for everyone.

Heather
