Subject: Re: Critical Incident Videos Contract

Hi Chief,

Yes many!!!! However you would need to go look at their platforms. Try the Vacaville Police Department, Sonoma County Sheriff's Office, Santa Cruz County Sheriff's Office, the Concord Police Department, and the Watsonville Police Department.

They are all in California. We have about 30 plus agencies we work with in the state of California. Please check out their Facebook and Instagram pages. Those are the two platforms you need to focus on the most.

Thanks,

LC

Thanks Laura,

We will get right on this.

Also, do you have examples of agencies where you have propped up their social media presence? I'd like to take a look. Thanks
