Subject: Thank you post

We would like to express our sincerest thanks to every person who has reached out to our agency in the past several weeks expressing support and kindness. The letters, cards, food, voicemails, emails, social media comments and in-person thank you messages have been incredibly impactful for our agency as a whole. We keep these wonderful acts and words in our hearts and minds as we take on another each new day, doing the work we have been called to do.
