Fees may be reasonably incurred by Critical Incident Videos as they directly relate to the work of the specific video project. Both parties agree that the fees and costs spent on any specific project shall be capped at \$5,000, unless authorized in writing by the Police Department that Critical Incident Videos may exceed that amount with an agreed to total price cap for the project. Critical Incident Videos shall not incur any outside expenses on behalf of the Police Department, such as the costs of legal and accounting fees, unless such expenses have been specifically authorized by the Police Department in writing in advance. If the Police Department approves any outside expense then the Police Department shall reimburse the video production consultant for such. The fee for the services as set forth herein shall be considered as full compensation for all indirect and direct personnel, materials, supplies and equipment, and services incurred by Critical Incident Videos.

The Police Department acknowledges that Critical Incident Videos will not keep copies of any work product provided by the Police Department. All materials and information provided will be destroyed upon completion of each project. COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

1. The following is added to SECTION II - WHO IS AN INSURED:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part is an insured, but:

- a. Only with respect to liability for "bodily injury" or "property damage";
- b. If, and only to the extent that, the injury or damage is caused by your acts or omissions in the performance of your ongoing operations to which that "written contract requiring insurance" applies or by the acts or omissions of any person or organization performing such ongoing operations on your behalf; and
- c. Subject to the following limitations and conditions on the insurance provided to the additional insured:
 - (1) In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured will be limited to the limits of liability required by that "written contract requiring insurance" and will not increase the limits of insurance described in **SECTION III - LIMITS OF INSURANCE**.
 - (2) The insurance provided to the additional insured is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that other insurance. But the insurance provided to the additional insured still is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under such other insurance.
 - (3) The insurance provided to the additional insured does not apply to:
 - (a) Any person or organization for which coverage as an additional insured specifically is scheduled by attachment of an endorsement under this Coverage Part, or for whom you have purchased an Owners And Contractors Protective Liability policy;
 - (b) Any person or organization who distributes or sells "your product" in the regular course of that person's or organization's business with respect to liability arising out of "your products";
 - (c) Any person or organization from whom you have acquired "your product", or any ingredient, part or container entering into, accompanying or containing such product with respect to liability arising out of "your product";
 - (d) Any premises owner, manager or lessor with respect to liability arising out of the ownership, maintenance, or use of that part of any premises leased to you;
 - (e) Any equipment lessor with respect to liability arising out of the maintenance, operation or use of equipment leased to you by such equipment lessor;

- (f) The independent acts or omissions of such additional insured; or
- (g) "Bodily injury" or "property damage" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:
 - (i) The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - (ii) Supervisory, inspection, architectural or engineering activities.

2. The following is added to the **DEFINITIONS** section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" or "property damage" occurs:

- a. After the signing and execution of the contract or agreement by you;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

Hi Jackie,

Thank you for sharing this with me. Wow! What a powerful tool. APD has CAPE's support 100%. Count on us to mobilize and assist with website posting and sharing APD's social media posts through the City of Asheville social media channels in whatever way APD deems best once the tool is up and running.

We can also standby to support Christina in developing a communication and engagement plan ahead of your go-live date. We can help with making connections to our populations that are often hard to reach as well as our neighborhood networks. I've heard from Neighborhood and Community Engagement Manager Brenda Mills that things are going well and that there is a good flow of information between her function and APD Community Liaisons and CROs.

Please let me know if you see other ways for us to support the department. We're here for you all.

Chief Zack became aware of Laura Cole and her company at the IACP Conference in Chicago in October of 2019. After speaking with Laura and seeing the work they do, he implemented critical incident videos at his former department in Cheektowaga, NY. Because of the value that he sees in these videos and the level of transparency that is provided to the community during critical incidents, he wishes to implement this practice at APD.

The Critical Incident Videos contract will assist the APD in putting together a briefing that has context, as well as video and/or audio associated with the incident. This briefing can be used in a variety of areas including, but not limited to, dissemination to the media, website, and social media. It is important to note that this is not a video production company and will be completely objective.

The company is considered law enforcement experts and focuses on building relationships with the community with the key focus of transparency. Laura is associated with the California Police Chief Association and California State Sheriff's Association. She has put together approximately 30 videos since starting the company in July 2019.

When reviewing the below videos please remember that the State of NC does not currently allow us to release body worn camera footage without a court order. This is something Chief Zack is working on.

Below find two examples of videos that Laura's company has assisted with in the past year.
