John and Craig

These requests for Subpoenas all relate to witnesses and experts Craig plans to have testify on behalf of the applicant. When the three of us talked, Craig offered to assist with getting any information needed from his client or witnesses.

Craig, is the requested information something you think you can get for John before January 6th? If so, there would be no need to issue these subpoenas. I will prepare them today and plan to have Michael Cox sign them on the 6th if the documents have not yet been provided to John. Once they are signed, I will give them to John to serve.

Heather
