Hey Kim,

You weren't causing the concern. This submittal and subsequent hearing will be complicated due to lack of venue, potential for a large turn-out by the general public and adjacent property owners with "standing". We just all want to be on the same page. We'll round up in-house with a good date/time to meet.

Regards,

Heather and John,

Any chance the three of us could speak at some point about the request that will be made at the 9/21 meeting in Cashiers? I know an application has been submitted. I received an email from Mike Anderson that you were concerned that we had not yet spoken. I would love to seek your advice and counsel on this matter and didn't realize that I was causing concern. Let me know when and where!

Kim
