Allison and Heather,

I wanted to let you know that I will also be representing Ms. Laura Moser. Ms. Moser tells me she submitted an application for standing this weekend and attached is the Affidavit in Support.

Allison and Heather,

Thank you for providing me with the applications documents and associated forms on Friday. Below is a link to my clients' applications for standing along with affidavits in support of their standing to challenge the application. The link also includes an Objection and Motion to Continue the hearing (also attached) that I would request be heard prior to the beginning of consideration of the application. It would be greatly appreciated if these could be shared with the Council members prior to the meeting.

Again, I apologize to be sending so much with such little time before the hearing, but I was only retained at 4:00 on Friday. I'll also add that I found out a few hours ago that the daycare works that watch our two children have COVID and as a result I do not believe it is safe for me to come to the hearing in-person. Thank you for making that offer on Friday, but don't believe I can attend in good conscious.

Please let me know if you have any additional concerns. I look forward to receiving a link to the meeting that I can share with my clients. Thank you both for all you are doing to help facilitate this process during these difficult times.

Best,

John D. Noor
