Thank you for your reply. I wanted to make sure you knew that I absolutely support Kate Fisher and she would be my first choice, with Libby and Pepi in that order. We need a board that is not simply a rubber stamp for ACS central office. As a fellow progressive, that's exactly why YOU got my vote for council.

Elzy,

Thank you for taking the time to reach out regarding appointments to the Asheville Board of Education and to provide your recommendations on behalf of Libby and Pepi.

Sincerely,

I was unaware that these two fine folks have also put their names in the ring for school board. I wholeheartedly support them, as well.
