Dear Mayor & Council members,

I am writing today to STRONGLY urge you to continue your tradition of interviewing any candidate for the Board whom one or more Council members has/have expressed an interest in interviewing, rather than only the candidates recommended by the Boards and Commissions Committee. I especially encourage you to keep Pepi Acebo, Kate Fisher, and Libby Kyles on the list of candidates to further consider. There are a number of excellent candidates on the list, but those three have been very involved & active members & stakeholders in the ACS community for quite a while now.

Thank you in advance for your consideration,

Annadele Alsup
