Mrs. Scott,

Today is the day we want to let everyone know. I want to let people in Caswell County and Stokes County know as well. The Stokes County news paper is 336-591-8191 and the Caswell County Messenger is 336-694-4145. I can call them if you wish, but I thought maybe a phone call from you might get us in their paper for free. If not, let me know and I will handle it.

Please see the attached flyer.

Mrs. Galloway,

We set up an account with XPS Shipping today. We used the office credit card to put \$500.00 on the account (Amy has receipt and will turn in). The account works like an escrow account and we should not have to use the credit card but every other month to reload money into the account. Amy will code the credit card bill to reflect the money coming from the postage account for our office.

We will be a passport acceptance facility. People can come in and fill out their paperwork for a passport. We will assist them, put the packet together, take their photo, and then mail it all in for them. We get \$25.00 per application we mail in. If we take their photo that's another \$10.00. So we can make \$35 per customer. The fees are set by the United States State Department. Based on the math from other counties that programs as well, we expect to make about \$27,000 extra through this program. That is based off of our counties population.

Susan, Amy, and Stacie,

I have set up a meeting with XPS Shipping for Tuesday, the 13th, 2:00 PM to 3:00 PM. It will be over the computer and in my office. Anthony (point of contact) said this is a web based program so I. T. doesn't have to install anything. You create a user name and password and just log in on line. This like an escrow account for the post office. We will use the Office Credit card to pay the postage until we can get this up and going.

Anthony will email me the details and paperwork for us to review on Monday.

Mrs. Young & Mrs. Mitchell,
I have attached a flyer we put together to help advertise our passport program. I believe I have

spoken with each of you and found that due to staff size it's not feasible for either of you to add passports to your services offered. Adding this program has been vital to keeping everyone here employed. I have purchased some 4x4 signs with this same attached image on both sides. I will be putting them on the highways leading from Rockingham County into Stokes and Caswell Counties. Our advertising campaign will not only target Rockingham County, but Stokes and Caswell as well.

If you do not mind, can you print a few of these off and put them in your office where the public can pick them up please. And if you know of a local paper or media source that I can advertise this program with in your county, can you please send me that information as well.

Any help will be very much appreciated.

Subject: [NCARD Group] Change in Law Regarding Plats

Session Law 2017-27 (H454) changes plat requirements. The changes apply to plats presented for recording on or after July 1. Please keep this information with your Guidebook, which does not include these changes.

The changes mostly have to do with surveyor obligations, and in some cases what plat review officers will examine and require. There are some changes that apply to the law governing your acceptance of plats.

Margins: The change specifies that the 1.5-inch border must be on the left side in landscape format and on the top side for portrait format (still minimum half inch on the other three sides).

Material Allowed: With the change, if the register does not keep mylar copies and makes copies of submissions, the material can be "black line on white paper"—it does not have to be "transparent and archival." The register is authorized to return the paper to the person indicated on the plat. There is still a requirement that the submission be "reproducible."

No Review Officer Certification Required: The circumstances in which a survey can provide a surveyor's certificate that means no review officer certification is required become:

- G.S. 47-30(f)(11)(b) located in a portion of a county or municipality that is unregulated for parcels (same as before)
- G.S. 47-30(f)(11)(c)(1) existing parcels or easements and does not create or change a street (makes clear that survey subject to this exception can be of an easement, not just a parcel)
- G.S. 47-30(f)(11)(c)(2) existing feature, such as a building or other structure, or natural feature, such as a watercourse (clarifies it can be various kinds of features, as long as they are existing)
- G.S. 47-30(f)(11)(c)(3) control survey (same as before)
- G.S. 47-30(f)(11)(c)(4) a proposed easement for a public utility as defined in G.S. 62-3 (new)

Maps Attached to Other Instruments Maximum 8 ½ by 14

Three kinds of maps can be recorded if attached to another instrument:

- An original map with a surveyor's seal that meets other plat requirements, including a review officer certificate unless it meets one of exceptions from needing it (listed above)
- A certified copy of a previously recorded map
- An attached map that has this legend: "THIS MAP MAY NOT BE A CERTIFIED SURVEY AND HAS NOT BEEN REVIEWED BY A LOCAL GOVERNMENT AGENCY FOR COMPLIANCE WITH ANY APPLICABLE LAND DEVELOPMENT REGULATIONS AND HAS NOT BEEN REVIEWED FOR COMPLIANCE WITH RECORDING REQUIREMENTS FOR PLATS."
(This is slightly different than the previously authorized required legend)

To all CCS customers using our Get Certificate Now service:

This morning we learned that our bank implemented new procedures for sending ACH transfers to our customers. The unfortunate result of this change is that the requests our Get Certificate Now system has been submitting to the bank to transfer money to the counties that we serve are not being processed. We have been made aware that the last transfers that were sent occurred on 6/2. I expect that many of you may receive notification from your finance offices that you are not receiving the deposits and I wanted to let you know in advance. We are working diligently to adapt to the new ACH transfer process, which involves making changes to our code base and architecture. We will keep you informed as we go through this process and will provide you with a timeline as more details become available. This is an "emergency situation" and we are tackling the problem vigorously. Once complete, all previously scheduled transfers will be processed immediately. Please feel free to contact CCS Support if you have any questions. We sincerely apologize for any inconvenience this may have caused.

I wanted to thank everyone for attending most of the Commissioners meetings, going along with some new ideas, and putting the success of the office / team first. Our budget was passed tonight without a single comment. I truly believe out of all of the things we did to better our position with the County County Commissioners, nothing had a bigger effect than them seeing the entire office at meetings. Everyone being there relayed a message of unity and team work.

Thank You

JFYI,

I was just notified that final approval has been granted to our office to be a Passport acceptance facility. A box of materials / forms has been mailed, and we hope to have it by Friday. When the box arrives I will call the regional center in Charleston, SC and they will "activate" our office. If all goes smooth we should be up and running Monday.

I don't want to make a public announcement until we have received that box of materials. I would hate to announce we are starting Monday and the box not arrive in time for us to do so. I just wanted to let everyone know that "the box is in the mail". When we have become "active" I will notify Mrs. Mable Scott and get our signs up advertising this added service.

Jason,

I need a brass plaque that is no more than 3 1/2 inches tall. The how wide is not an issue, but the how tall is. I have a large 4X6 American Flag in a wooden frame and the frame is 4 inches wide. I want to put:

Dedicated to the Veterans of Rockingham County in the name of Fred J. Harmon
on Memorial Day 2017.
Benjamin J. Curtis

I need it to have screw holes either in the two top corners or each of the four corners, just what ever you think. But I have to screw it onto the frame.

Can you handle this?

The "Vote in Honor of a Veteran" is a great idea. I am going to post this on my FB, add it to the ROD web site, and put flyers for this out at our office. I told Tina it as a great program and she needed to get Mable to put it on the county FB page.

Mr. Curtis,

I recorded a map on May 16, 2016 for Joshua V. Draper. It was recorded in Map Book 79 at Page 2. The attorney called me today and said that this book and page did not contain the correct map. I have attached a copy of the receipt showing the recording information. I have looked backwards and forwards and I do not see our map. When you have this straight please contact attorney Mike Cassidy and give him the information.

Ronnie this is the quote for the Reg. of Deeds door. This doesn't include any cost for closing in the case opening to get to this size. But I would think that wouldn't be any more than \$200.00 for studs, paint, and finish material.

Sorry for the short notice but they are requiring a count before they get here.

Also please email me back with the count and if you will need maintenance help in getting your boxes/material to the shredder.

Good Afternoon,

Attached is the employee list for the governmental directory. Please check to make sure employees in your department are listed with correct phone numbers and that employees who are no longer employed with ROCO are removed.

This is a PDF so if changes/corrections/additions are needed, you will need to print the pages and note modifications. Please return to me by noon Wednesday, May 10.

Thank you,

Tina

To: nregistersofdeeds@googlegroups.com

Good afternoon,

We wanted to make you aware that Senate Bill 131 was signed into law by Governor Cooper at the end of last week, becoming Session Law 2017-10. This bill accomplishes one of our legislative goals allowing Registers to not provide bulk copies of our records to companies such as Zillow who request them if we already provide those records on a website that allows the record to be printed or saved.

Specifically, the language reads:

Notwithstanding G.S. 132-6.2(a), a public agency may satisfy the requirement under G.S. 132-6 to provide access to public records in computer databases by making public records in computer databases individually available online in a format that allows a person to view the public record and print or save the public record to obtain a copy. A public agency that provides access to public records under this subsection is not required to provide access to the public records in the computer database in any other way; provided, however, that a public agency that provides access to public records in computer databases shall also allow inspection of any of such public records that the public agency also maintains in a nondigital medium.

Please note that nothing in the new law prohibits you from providing the bulk records requests if you choose to do so.

We have attached a copy of the law for your reference. Our provisions are found on pages 15 and 16. These provisions becomes effective **July 1, 2017**.

Please let us know of any questions you may have.

I wish to take a moment to introduce myself as your new Human Resources Analyst. I genuinely look forward to having the opportunity to speak with you in person, and am excited about the projects we will be working on together in the future. I feel like I know most of you already but would prefer talking with you individually and discuss any employee relation issues within your department, recruitment needs, FMLA issues, training preferences you need from HR and any topics that directly relate to your department and staff.

I have open appointments set aside for Wednesday, Thursday, and Friday of this week for open discussions.

Please contact me via email or call directly if you would like to schedule a time. My contact information is below.

I am enthusiastic about joining your team and look forward to meeting everyone in person.

Wake Register of Deeds Office fired employee who said he stole \$50,000

RALEIGH

The Wake County Register of Deeds Office fired one of its employees less than a week after the State Bureau of Investigation began a probe into a “substantial amount” of money missing from an office that handles \$14 million a year – much of it in cash.

Troy Ellis III, a technician at the office who was hired in 2010, was fired April 5 after he confessed to taking \$50,000 within the past year, according to a dismissal letter by then-acting Register of Deeds Luther Snyder.

According to the letter, Ellis called his supervisor to talk about the missing money on April 1, a day after county leaders announced they had asked the SBI to open a probe of the office after noticing funds were missing.

Wake County District Attorney Lorrin Freeman said Monday that Ellis has not been charged with a crime yet and he is working with investigators. Freeman said investigators believe the amount of money missing from the county office is far greater than what Ellis has acknowledged taking.

The probe is looking back at a decade’s worth of records and into the possibility that others were involved.

The letter from Snyder recounts Ellis’ April 1 phone call.

“During that call, you confessed that you were involved. Specifically, you stated that you had taken County money over the last year in the amount of approximately \$50,000,” Snyder wrote.

At a pre-dismissal conference with superiors on April 4, “you apologized for taking the money and stated that you wanted to cooperate fully with the investigation and repay all of the money taken,” Snyder wrote.

“However, you did not offer any additional information that would change my recommendation that you be dismissed. Therefore, effective immediately, I am dismissing you from your position ... for unacceptable personal conduct and grossly inefficient job performance.”

Ellis isn’t seeking the \$4,303 he’s owed in leave payout balance, the letter states. It reveals little else about the missing funds.

The Register of Deeds Office employs about 40 people. The office records legal documents and maps, issues marriage licenses and vital records certificates, certifies documents and administers notary public oaths.

The office until this year had been under consistent leadership for nearly 20 years. Laura Riddick, who won her first of six terms as Wake’s register of deeds in 1996,

announced her retirement the same day Freeman and Jim Hartmann, Wake's county manager, announced the SBI probe.

Hartmann said that Riddick let him know she would be leaving for health reasons weeks prior to the probe announcement and that the move is not related to the SBI investigation. On April 17, the Wake Board of Commissioners appointed Charles Gilliam, a former district judge, to replace her.

Hello! The NC Department of Natural and Cultural Resources will pick up your minutes for microfilming at the next 2 Local Records Workshops:

Chapel Hill, Chapel Hill Public Library

100 Library Dr.

Chapel Hill, NC 27514

May 9, 2017 (1pm-4pm)

Matthews, Town Hall

232 Matthews Station St

Matthews, NC 28105

May 10, 2017 (1pm-4pm)

Please bring your original minutes or copies and give them to our presenters. We will transport the minutes to Raleigh for you.

Instructions for preparation of the minutes are, as follows:

Original Minute Books

- All originals must be in the order that they are to be imaged. All minutes will be filmed in the exact order received. (chronological order)
- All staples, post-it notes, and paper clips must be removed and all documents taped together must be separated. This includes attachments to the minutes.
- Unfold all documents. Smooth out corner folds.
- Repair torn documents with transparent tape.
- All various size documents should be arranged so that the bottom edge of each page will evenly aligned.
- Make sure the minutes are signed in all designated areas.
- We will image only completed volumes. Partially filled books will not be imaged.
- After your minute books have been imaged, please do not alter these books. Any modification of the original minute books after imaging will invalidate the copy.

Photocopies of Minute Books

- All photocopies must be in the order that they are to be imaged. The photocopies should reflect the order of your minute books. All minutes will be imaged in the exact order received. (Specify reverse date order)
- All photocopies should be on the same size paper, if possible.
- Do not fold copies.

- All staples, post-it notes, and paper clips must be removed and all documents taped together must be separated. This includes attachments to the minutes.
- Make sure the minutes are signed.
- Double-sided copies are fine.
- Photocopies should be packaged to prevent pages from being damaged during shipment.

Please complete our Certification of the Preparation of Records for Microfilming form.

We look forward to seeing you next week in Chapel Hill and Matthews!

Sincerely,

Kurt

Good Morning,

A County Manager Recommended Budget report is now available for departments to run in Cognos in the Rockingham County Budget Reports folder. A walk-through of how to use Cognos is available on the Budget and Performance Intranet page for those that need a refresher (Department Requested is used for the walk-through but ensure you select the County Manager Recommended Report to get your most up-to-date budget). Please let me know if anything is inaccurate or should be updated no later than the end of the day **Thursday, May 4th**.

Additionally, attached is a list of all proposed fee changes to be considered with the Budget and would go into effect July 1, 2017 if approved. For departments that requested fees, please review to ensure your changes are accurately shown. The most up-to-date Master Fee Schedule for the current year is available at <https://rc.municipalcms.com/files/documents/2016-17MasterFeeSchedule1018024926050117PM.pdf>. Please also let me know if anything should be changed with either your departments' requested fee changes or the Master Fee Schedule by the end of the day Thursday, May 4th.

One new item included in the Fee Changes document is a new countywide set fee for public records requests of \$0.02 per page for black and white and \$0.08 per page for color. This is recommended to remain in compliance with Public Records law. It would not replace fees otherwise set by law, and would only apply to public records requests and not other documents (printing/copying personal documents at the Library for example). If you have any concerns that this fee will significantly impact your department please let me know by Thursday, and if you have any questions about what would be considered a public records request please contact the County Attorney for clarification.

Thank you for your hard work this budget season!

Paul

We have a February, March, April, May, and December already. We have ordered a July and October. So 5 are done, 2 or ordered or already here, and five yet to order / do.

So we need to order a June next week.

We need a January, June, August, September, and November.

January - Carolina Blue / Teal, White, and light brown (Winter Wreath)

June - Pink

August - Football Wreath (Red / Black / White) Prowlers Colors

September - Metallic BLUE

November - Thanksgiving

Hi Ben,

I'm out sick again today, but I was able to get the main greeting setup on 336-342-8820 and all of the caller input options programmed. The last names for the staff are still there (I can't change that from home). I will have Jon re-record that today so that those names listed are just first name, and then I'll re-record tomorrow when I'm back in the office to keep all of the recordings with the same voice. Let us know if there are any questions or problems.

Thanks!
Carrie

That Pittsburgh accent is just fine by me.. lol. The only change I would like to request is on option #2 when it lists the extensions I would like for the caller to only get the girls first names only. We have removed their last names from all name plates and name badges for stalker issues. That comes from my law enforcement background. I prefer my last name to be listed, but not the girls. Thanks,

And when Carrie gets back is fine. Monday by lunch time would be fine.

Hi Stacie/Amy/Ben,

We have setup the test call tree with your new options. Please dial *9900 from any phone to listen to the recordings and test the prompts. Listen specifically to the wording and let us know if there are any changes to be made. Click on each option listed to make sure that the call goes where you want it routed.

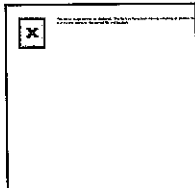

We have also setup the extension for the new ROD Passports line. It is extension 2224. The voicemail has been recorded already, and the vm passcode is 2224. That extension has been setup on the following phones:

Passports - Front Desk
Passports - Susan Chilton
Passports - Empty Desk
Office - Susan Chilton
Office - Ben Curtis

You said that you wanted to go live on Monday, 5/1. Did you want it for 8am Monday morning, or can it wait until 8:30? Carrie is out of the office tomorrow and will not be able duplicate the main greeting recording on 8820 at 5pm. She can do it first thing Monday morning, or find some time over the weekend to record. Just let us know.

This Monday nights Commissioner meeting is shaping up to be an "interesting" one. Nothing in regards to our office, but "interesting" is all I am willing to put in writing.

The budge one is coming up in May. It would be a good idea to have a strong showing at the May budget one, if your available.

Thanks for all each of you do,

Ok, I will get that turned in Monday so we can pay you when they come in. After talking it over, we didn't see the need for a sign to last more than a few months in one spot. Then we can move it or what ever. We will have to get permission to put the signs on private property. Asking for a few months is easier than asking for a year.

Brad,

We would like to order 8 of the plastic ones, so \$400.00 worth. Two sided

And I need that W-9 so we can pay you with county money

Thanks
Ben

Hey Ben, welcome home!

We quoted this on corrugated plastic (Same as your political signs) and white aluminum. Longevity all depends upon how much sunlight and abuse they get in the field I would guess about a year longer with the aluminum.

4'x4'
based on 8 signs ordered

4mm coroplast 1 side-\$39.15 each 2 sided-\$48.00
.040 aluminum 1 side-\$80.00 each 2 sided-\$90.00

One time art charge of and set up \$35.00

Delivery charge would be \$45.00 either material.

* These are not permanent signs, I think they are priced as such. Please check into a longer term sign justs to make sure you do your due diligence prior to placing the order with me.

Thanks, Brad

Brad,

Here is the design of the 4 by 4 road signs I am looking to have made. I would like to get 8, depending on the cost. I would also need to get you to fill out an "approved" vendor form (W-9) so I can pay you with County Funds. Can you get me a cost and turn around time on some of these signs?

I am leaving the country tomorrow (going to Africa for 9 days) and will be back in the office on April 17th. I would like to have these in place by mid-May if we can afford them.

Thanks,
