Subject: Passports

If I understand the situation correctly you need to know how to get a 19 year old a passport ASAP.

Adult Passport is \$110.00

Adult Card is \$30.00

To get both is \$140.00

All three are the same process. He needs to bring a **Money Order or Cashiers Check** for the \$110.00, \$30.00, or \$140.00... which ever he is going to do. I always suggest the \$110.00 book because it has zero limitations. The Card is only good for a car or boat. You can't fly with it. But that's his choice. The Money Order or Cashiers Check needs to be made out to: **U. S. Dept. Of State**

He needs to bring a certified copy of his birth certificate (stamped copy). If he doesn't have one and he was born in Rockingham County he can get one here for \$10.00. If he was born in North Carolina but outside Rockingham County he can get it here for \$24.00. If he was born outside of North Carolina I can't help him, he has to get that from that state. He also needs to bring his driver's license.

The second part is the Rockingham County Register of Deeds fees. That's \$45.00 if we take his photo and \$35.00 if we don't (our \$10.00 is cheaper than Walmart or CVS). He can pay that with a check or cash.

Adult Book total: \$155.00

Adult Card total: \$75.00

Both Total: \$185.00

Expedite & Over Night Mail Fees:

If you want the passport book / card or what ever you get to be **OVER NIGHT MAILED** back to you add \$15.89 to what ever you are buying. That will save you about two days.

$\$110.00 + \$15.89 = \$125.89$

$\$30 + \$15.89 = \$45.89$

$\$140.00 + \$15.89 = \$155.89$

If you wanted it **EXPEDITED** that's another \$60.00 to what ever you doing.

$\$110.00 + \$60.00 = \$170.00$ (Book)

$\$30 + \$60 = \$90$ (Just Card)

$\$140 + \$60 = \$200$ (Both Card and Book)

EXPEDITED will save you about 4-6 days

And the fastest thing you can do is to EXPEDITE and OVERNIGHT which will save you about 1 week (meaning you "should" have it in two to three weeks)

$\$110.00 + \$15.89 + \$60 = \185.89 (Check or Money Order) for the book

$\$30 + \$15.89 + \$60 = 105.89$ (Check or Money Order) for just the card

$\$140 + \$15.89 + \$60 = \215.89 (Check or Money Order) for both

I promise I will get your evaluation done soon. The Passports has been really busy.... every time I sit down and start someone walks in the door. I did 6 yesterday and 5 today. And I had Rotary yesterday and Connor with me today.... I am starting to catch back up some.

I finished Catinia and Mitzi yesterday.

Subject: Office Supplies

We have been notified that the county Central Services / Printing / Warehouse / Mail Services are all being discontinued with the county. The three of us need to sit down and figure out WHAT we need to keep ordering (what sizes paper, envelopes, etc...), what we need to get stamps to mail and how best to get it to the post office... and how this change will effect our budget.

I wish we had known this prior to setting our postage and general supply budget for the 2018-19 fiscal year but we didn't. So we have to sit down and figure out what we will need to order and then from whom.

Amy is off this week, Amy and I are both off next week, and Stacie is off the week after that. So I put all three of us down to meet at **9:30 AM on July 17th (Tuesday)**. We will need to figure out what we have on hand (supplies), how fast we go through it so make the most of what we order, and what is best for our office.

Emails from Pat Galloway:

Effective July 1, 2018 we will begin the discontinuation of services provided by Central Services.

PRINTING SERVICES- your department will be responsible for procuring outside printing services as needed.

MAIL SERVICES- we will begin the transition to an outside mail service during the month of July. At this time we are working on procuring an outside mail service provider that will pick up the County mail, add the necessary postage and take to the post office. We are still investigating various options to pick up the county mail at the Wentworth post office. More information will be provided as we move along this process. Finance will continue to provide full mail service in July up until we have a new service provider in place.

WAREHOUSE INVENTORY- your department will be responsible for procuring items that you have typically ordered from Central Services (copy paper, hand sanitizer, trash bags, etc.). The County has an Amazon Business Account that most times has reduced prices and has free two day shipping and several departments have already become a participant on this account. If your department does not have access to this, send an e-mail to Amanda Crumpler and she will assist you in getting access to this purchasing option.

Warehouse ordering is still suspended for year end and will remain suspended with access to the One Solution Stores Inventory module being removed from those who have access. We are finalizing our year end inventory count at the warehouse this week and the remaining items will be available to departments in July until all inventory is gone. You will need to send an e-mail to Amanda Crumpler AND Justin Thacker with your request for items, they will fill these requests on a first come first serve basis and will properly charge the cost to your department as normal. We will not be placing any new orders to re-stock inventory.

More details on these changes will be provided at the Department Head meeting later this week.

UPDATE:

As of this morning all remaining items in the Warehouse Inventory have been purchased/delivered to departments. **Beginning July 1, 2018, each department will be responsible for purchasing their own supplies, including copy paper.** So be sure to keep up with your supply levels to ensure you do not run out as we will not have items in stock any longer. Remember, we have an Amazon Business account that may save you money and typically has a 2-day delivery. If you or a designee in your department need access to this account, contact Amanda Crumpler and she will get your department set up.

Attached is a DS-11. Print six copies out. Fill out the areas shaded in Brown on the last two pages.

Bring a Certified copy of all six birth certificates. If you don't have one we can get you one for \$10.00 if they were born in Rockingham County, \$24.00 if they were born in North Carolina but outside Rockingham County, and if they were born in another state we can't get those. Bring valid driver's license and checkbook.

For the five year old BOTH parents have to be here with their Driver's License / ID cards. If only one parent has FULL Custody they have to bring a certified copy of that court order.

\$110.00 check per adult made out to the U.S. Dept. of State on ONE check. A juvenile is age 15 and younger and is \$80.00. SO age 16 and up is considered an ADULT. If every is applying at the same time you can put them both on ONE check.

\$45 per application will be paid to the Rockingham County Register of Deeds (Check or Cash). That's for your application processing, photo, and mailing (out the door).

With 5 Adults and 1 Child your looking at:

5 X \$110 = \$550

1 X \$80 = \$80

Total for all six people on one check = \$630 on one check / Money Order

The second check or cash for our fee is 6 X \$45 = \$270

You can write one check for \$630 to the US Dept. of State and one check for \$270 to the Rock. Co. ROD (or pay us cash). So your looking at \$900.00 total for all 6 people.

Good Morning,

Could you please pass this along to the appropriate people in your department?

Over the past few months the ITS department has received several service related complaints about the Toshiba copiers and the response on service requests.

To allow the ITS department to get a better handle on the issues

we are requesting that all service related issues be reported to the helpdesk via email to helpdesk@co.rockingham.nc.us or by physical call to the help desk line at 336-394-9999. ITS will place the service call to Toshiba. This will allow us to better monitor the issues we are having with the service and response time. We will let you know when/if this changes.

We will **not** be handling requests for toner and paper, you can continue with your normal procedures for these orders.

This change is only for service (break/fix) requests.

Thanks,

Ben/Amy,

Susan and I have been discussing the postage/stationery printing issue and have the following ideas/questions:

1. Is it possible to begin having our mail sent our street/suite address rather than the post office box? We have a bigger box and I am confident it is large enough to accommodate the mail we receive. (We would have to change our address on our stationery should we decide to do this.)
2. Can we get a postage meter for the office? If we eliminate the post office box then the amount we pay for rental could be used for the rental fee for the meter. I checked online and found one through Pitney Bowes for \$19.99 per month. (See attached info on the postage meter.) You would pay for your postage online through the Pitney Bowes site. If we have a meter we would be able to place more accurate postage on documents we mail out to customers. We would also be able to offer additional mailing options for customers i.e. priority mail, overnight, etc.
3. If we get a postage meter then Susan and/or Ben could take the mail every afternoon when they take the mail for passports. This would eliminate the need to send mail to governmental center each day.
4. Stationery Printing - We could eliminate offering the keepsake copy for marriages or print them in house. The only issue with printing in house is the names may not line up correctly on the form. (This is why we came up with a form and had the print shop print them for us.) We could also use plain envelopes and stamp our return address on them. The only issue with this is it may not look as professional as having them printed.

Just wanted to share them while they were fresh, and in case you needed to go ahead and make some decisions next week.

Have a great week!

Thanks,
Stacie

Guys, it doesn't get old. June 2018 was \$64,145.76.

That's up \$16,350.78 over 2017 and the highest June since ???? more than 2012.

2017-18 Fiscal Budget = \$513,873 (**a cut of \$20,574**) and the income for the ROD office was \$619,488.75. So we were \$105,615.75 to the good this past fiscal year

Brain,

I forgot to get the resolution to release the books in front of the county commissioners tonight. I should have done that before I left for Ohio but it slipped my mind. It's a minor technicality and I think we will be fine. But I have to get a PO (purchase order) approved before you can leave with them. Amy and I are working on that now and we "should" have it in place by the 17th. So we "should" be fine... just letting you know I screwed up more or less and I should be able to get this done in time, but I can't promise how fast my finance department will get the PO done.

Mr. Webster,

If I understand correctly from Kevin you need to renew one adult passport. If that is the case you need to print the attached DS-82 form and fill it out. To use the DS-82 (renew form) your passport has to have been expired for LESS than 5 years. If your passport has been expired for MORE than 5 years you need to totally renew your passport with the attached DS-11 form.

Renew:

1. Print the DS-82 and fill out
2. Write a check to the US Dept. Of State for \$110.00 (or money order)
3. Bring old passport, check to US Dept. of State, filled out DS-82, and \$10.00 cash (or check) for the Rockingham County Register of Deeds. We will take your photo, put your packet together, and hand it back to you to be mailed. You will want to mail it traceable mail. When we are done all you will need to do is take it to the Post Office and pay them to mail it. The \$10.00 to our office covers your photo.

Expired more than 5 years:

1. Print the DS-11 and fill out
2. Write a check to the US Dept. of State for \$110.00 (or money order)
3. Write a check or bring cash for the Rock. Co. Register of Deeds, \$45.00
4. Bring certified copy of your birth certificate
5. Bring your valid drivers license
6. We take your photo, put the packet together, and mail it for you

Good Morning,
ITS and Finance has been working through different offerings from vendors over the past couple months. We have narrowed focus to one particular company and currently running tests in a demo environment. We will hopefully be moving to pilot the solution in planning/inspections in the near future. The ease of deployment and use will determine pace that we roll out to different departments later this fall.
Thanks,

Sept 21 Susan is off so I will be responsible for Passports. So if a passport comes in it will tie me up while I work on it.

But I can make it work.

Mark and Ben, would just like to bring them by your areas and have you talk about the features that you have there (good and bad).

If you all could let me know what dates will work for you, I can coordinate this for us. I would look to try to have them here around 9am and finish hopefully around 12. In the previous tours we have done, it has taken about 3 hours for these. The dates starting with October 8th and going forward work better for me, but the others are doable if we need to as a group.

Subject: Facilities Tour

Hey Bruce,

We would look forward to hosting your team up here to tour our facilities. We have had several County's come and tour our "relatively" new Courthouse/Justice

Center. We also have a new 911 PSAP facility as well if that would be of interest to your group. I will add one comment, since the completion of the Courthouse/Justice Center everyone that worked on that project (with the exception of my maintenance supervisor) has retired, but I think we can help you with information we have since it has opened.

As of right now probably any date in the fall would work for us, since it is so far out. If you would like to provide us with some dates I can coordinate this on our end.

We look forward to seeing you up here.

Ronnie

Fill out the attached DS-11 form (Brown Section). The son is 16 so he is an adult when it comes to a passport. It will be good for 10 years.

Adult Passport is \$110.00 on a check or Money Order to the US Dept. of State. Then \$45.00 on check or cash to the Rockingham County Register of Deeds. That covers everything.

The Check, Money Order, or Cashier's Check needs to be made out to: U. S. Dept. Of State

They need to bring a certified copy of each birth certificate (stamped copy). If they don't have one and both were born in Rockingham County they can get one here for \$10.00. If either was born in North Carolina but outside Rockingham County (after 1971) they can get it here for \$24.00. If they were born outside of North Carolina I can't help, they will have to get that from that state. You also need to bring your driver's license and his if he has one.

The second part is the Rockingham County Register of Deeds fees. That's \$45.00 if we take a photo and \$35.00 if we don't (our \$10.00 is cheaper than Walmart or CVS). You can pay that with a check or cash.

Adult Book total: \$155.00

If your in a hurry....

Expedite & Over Night Mail Fees:

If you want the passport book to be **OVER NIGHT MAILED** back to you add \$15.89 to whatever you are buying. That will save you about two days.

\$110.00 + \$15.89 = \$125.89 on the US Dept. of State check

If you wanted it **EXPEDITED** that's another \$60.00 to whatever you doing.

\$110.00 + \$60.00 = \$170.00 (Book)

EXPEDITED will save you about 4-6 days

So if your doing the \$110.00 + \$15.80 + \$60.00 to get it as fast as possible the US Dept. of State Check needs to be \$185.89.

And the fastest thing you can do is to EXPEDITE and OVERNIGHT which will save you about 1 week (meaning you "should" have it in two to three weeks)

\$110.00 + \$15.89 + \$60 = \$185.89 (Check or Money Order) for the book

If your not in a big hurry, just do the \$110.00 and \$45.00 and you will have it in about 4-5 weeks.

Both can be put on ONE check if done at the same time. If you have any questions please call me back.

Thanks,

- If so, which agency or business provides this security?
- How many security hours do you estimate you require in a given year? (Please count hours by person - i.e. 2 guards for 30 hours per year would be 60 security hours)

Attached is a DS-11. Print out a copy and fill out the areas shaded in Brown on the last two pages. Bring a Certified copy of your birth certificate. If you don't have one we can get you one for \$10.00 if the applicant was born in Rockingham County, \$24.00 if you were born in North Carolina but outside Rockingham County, and if you were born in another state we can't get those.

For a juvenile (15 years old or under) BOTH parents need to be present at the time of the application. BOTH parents have to be present and bring their valid driver's license. And we have to mail a check with the application so bring a checkbook. If you do not have a checkbook bring a cashiers check or money order made out to the U. S. Dept. of State.

\$80.00 check for a juvenile made out to the U.S. Dept. of State on ONE check. If your getting it expedited (**you need it faster**) add another \$60.00. (so if in a hurry \$140.00 on this check)

\$45 per application will be paid to the Rockingham County Register of Deeds (Check or Cash). That's for your application processing, photo, and mailing (out the door). So \$45 cash or a second check to the Rockingham County Register of Deeds.

If I understand your situation your wanting ONE juvenile. So that's one check for \$80.00 and then \$45 cash or a second check to the Rockingham County Register of Deeds. A juvenile's is good for 5 years.

It takes about 5 weeks to get it back. If you expedite it that's another \$60 but you should get it back in about 2 1/2 weeks. So if your not in a hurry save the \$60.00.

If one parent can't be present print off the DS 3053 form and follow the instructions. If one parent is deceased then provide a certified copy of the death certificate. If one parent has sole custody a certified copy of the court order is required.

Hope this helps and if you need anything call, 342-8820 ext. 2224. If something has not been addressed that pertains to your situation please call.

\$45 per application will be paid to the Rockingham County Register of Deeds (Check or Cash). That's for your application processing, photo, and mailing (out the door). So \$45 cash or a second check to the Rockingham County Register of Deeds.

If I understand your situation your wanting ONE adult. So that's one check for \$110.00 and then \$45 cash or a second check to the Rockingham County Register of Deeds.

If your getting two adults, that's one check for \$220 to the U.S. Dept. of State and \$90 cash or a second check to the Rockingham County Register of Deeds.

It takes about 5 weeks to get it back. If you expedite it that's another \$60 but you should get it back in about 2 1/2 weeks.

Hope this helps and if you need anything call me, 342-8820 ext. 2201

I apologize for being delayed in my response. I got side tracked. Attached is a DS-11. Print out a copy and fill out the areas shaded in Brown on the last two pages. Bring a Certified copy of your birth certificate. If you don't have one we can get you one for \$10.00 if they were born in Rockingham County, \$24.00 if they were born in North Carolina but outside Rockingham County, and if you were born in another state we can't get those. Bring valid driver's license and checkbook. If you do not have a checkbook bring a cashiers check or money order made out to the U. S. Dept. of State.

\$110.00 check per adult made out to the U.S. Dept. of State on ONE check. If your getting it expedited you need to add another \$60.00 for a total of **\$170.00 on this check.**

\$45 per application will be paid to the Rockingham County Register of Deeds (Check or Cash). That's for your application processing, photo, and mailing (out the door). So \$45 cash or a second check to the Rockingham County Register of Deeds.

If I understand your situation your wanting ONE adult expedited. So that's one check for \$170.00 and then \$45 cash or a second check to the Rockingham County Register of Deeds.

I think it's wordy... We just talked about people not reading. Short and sweet:

The Register of Deeds office produces revenue for the county and we had a Great March! March 2018 was the best month we have had since October 2011... Our County is on the right track!

or something to that effect. I am not a fan of putting in the numbers. I think that opens a can of worms...

How's this for a FB post?

The Register of Deeds office produces revenue for the county and state by collecting fees for services provided such as issuing copies of vital records and issuing marriage licenses, recording fees for documents as well as collecting excise tax for property sold.

During March 2018, we collected \$24,797.12 in excise stamp fees which is \$10,706.33 more than was collected in February, 2018 and \$2559.95 more than March 2017. This increase is an indicator of a growing Rockingham Co. economy.

March 2018 brought in \$2,559.95 more than March 2017. March 2018 brought in \$12,922.01 more than the past 5 year average for March (2017, 2016, 2015, 2014, 2013)

JFYI, Some day next week the NC Secretary of State is sending someone here to take the Notary Instructors exam. I was told that the person taking the exam would have to drive to Raleigh to take it but they wanted to know if we would allow them space in our office to take the test. The only thing I have been asked to do is provide a quite space for her to take the test and fax the test back for her.

I will let you know the date and time she is coming when I have it. It should not affect any of you, I am just giving you a heads up we will have a stranger among us one day next week. And why she will be here.

No, we do passports 9:00 to 1:00 and 3:00 to 4:00 PM.

Attached is a DS-11. Print two copies out. Fill out the areas shaded in Brown on the last two pages. Bring a Certified copy of your birth certificate. If you don't have one we can get you one for \$10.00 if they were born in Rockingham County, \$24.00 if they were born in North Carolina but outside Rockingham County, and if they were born in another state we can't get those. Bring valid driver's license and checkbook.

\$110.00 check per adult made out to the U.S. Dept. of State. A juvenile is age 15 and younger and is \$80.00. SO age 16 and up is considered an ADULT. If your wife/husband and children are applying at the same time you can put them all on ONE check.

\$45 per application will be paid to the Rockingham County Register of Deeds (Check or Cash). That's for your application processing, photo, and mailing (out the door). So cash or a second check to the Rockingham County Register of Deeds.

You can write one check for, amount depends on the number of adults / kids, to the US Dept. of State and one check to the Rock. Co. ROD (or pay us cash).

Two Adults would be $\$110 \times 2 = \220 and $\$45 \times 2 = \90 . \$310 out the door photo and all.

Adult (age 16 and older) is \$110 for a new one or a renewal. Check or Money Order made out to the US Dept. of State. That's for just the book. If you want the book and card add another \$30 to each request. If you want it expedited (in a hurry) add another \$60 to each request. **YOU ONLY need the book...** the card is for people that work in Mexico or Canada and cross the boarder weekly or daily.

The Processing fee is \$35 if we take the photo and \$25 if you bring your own photo. We take the photo for \$10, CVS does it for \$14.00.

For your family (whom all are over 16) your looking at \$440 to the US Dept. of State (for all four) and then \$140 to the Rockingham County Register of Deeds if all of you are getting new ones. We can take cash or check for our part, but the US Dept. of State has to be a check or money order.

For renewals we just charge \$10 for the photo and help you put it together. You have to mail it.

There are new global packages available under the State Contract. I have attached. The answers are:

- 1) Yes, he can make calls via Wi-Fi and data services like Facetime, Skype, etc over wi-fi connections
- 2) Yes, you can add a global package for voice calling, but there may be a per minute fee.
- 3) Yes message services should work over either cellular and possibly Wi-Fi, again there may be per use charges depending on the package.

the global packages are on page 7

Paul,

This week we have started mailing congratulations letters for marriages or births that have been recorded in our office. The wording of each letter not only congratulates them on their event but reminds them that a certified copy of their document is available for \$10.00 in our office or \$15.00 on line.

Between the births and marriages we are looking to mail about 900 letters (rough guess). So that's about \$450 in stamps we will be mailing. **This will cause our postage budget to go up about \$450.00** (just a rough guess) due to the increased purchase of stamps, but we should be able to absorb that with our general fees budget if needed.

If mailing these letters costs our office another \$550.00 in stamps, paper, and envelopes we will need 55 people out of the 900 to get a certified copy of their document to cover the increase in cost. That's only 6.1% of the 900 people we expect to mail letters to. So anything over the 55 people, or the 6.1%, will be extra revenue generated for the county. I believe that since the documents pertain to a new marriage or a new birth

we will see a solid return rate of about 30%. If so we will generate about \$2,150 in additional profit in our General Fees.

#3994 is one side and #3995 is the other side. #3396 is the address label that prints out from xpsshipper.com. I print two copies, trim the extra paper off, and use packing tape to put the label on both sides of the envelope. You will see that it's being "shipped" from the Charleston Passport Center and to Irving, Texas (were all routine ones go). The tracking number is along the bottom.

You can put up to 10 passport applications in ONE package but only 7 on a transmittal. So if you go over 7 you need to do two transmittal forms.

When you set up your xpsshipper make sure you show that the passports are being mailed from the Charleston Office, NOT your office. And if you have an expedited remember those go to Philadelphia and the routine ones go to Irving, Texas

Question: How many do you have and how many can be off at the same time?

And we ship our passports with www.xpsshipper.com

You contact them and set up an account. Once you have you put so much money into your account (like an escrow account) and each day you log in and print out a shipping label for that day's passports. We opened our account with \$500 and every 5-6 months we add another \$450 (to keep it under a \$500 purchase for our finance dept). I use my office credit card to add the money to the account. Postage is a line item in our office budget.

When we do the first passport of the day Susan or I will log in and print out a label to mail it. You can also track each package you have shipped by clicking the "history" button. This allows you to track your shipped packages every day like your required to do. Print that page out showing where the package is or if it's been delivered and staple it to the transmittal so if your inspected it shows your tracking them.

We had our first State Dept. Inspection last week and got a 100%! He said we were the first 100% he had given out in over a week. Susan is really great with the Passports.

Attached is a DS-11. Print out a copy and fill out the areas shaded in Brown on the last two pages. Bring a Certified copy of your birth certificate. If you don't have one we can get you one for \$10.00 if you were born in Rockingham County, \$24.00 if you were born in North Carolina but outside Rockingham County, and if you were born in another state we can't get those. Bring valid driver's license and checkbook. If you do not have a checkbook bring a cashiers check or money order made out to the U. S. Dept. of State.

\$110.00 check per adult made out to the U.S. Dept. of State on ONE check. If your getting it expedited you need to add another \$60.00 for a total of \$170.00 on this check. If your not in a hurry then the check should just be for \$110.00.

\$45 per application will be paid to the Rockingham County Register of Deeds (Check or Cash). That's for your application processing, photo, and mailing (out the door). So \$45 cash or a second check to the Rockingham County Register of Deeds.

The turn around time is about 5 weeks. If you get it expedited it's about 3 weeks but it's another \$60.00 on that US Dept. of State check.

Subject: Time Off / Policy Manuel

As all of you are aware I have been working on a policy manual for the office that will cover some Register of Deeds specific items; or items that have not been addressed by the Rockingham County Employee Policy Manual. While doing my research I have discovered that some practices of the past directly **contradict** the Rockingham County Employee Policy Manual. Those contradictions will be corrected and we will fall in line with the rest of the county. So some of these changes are not going to be welcomed changes, but they will be put into place and followed. My plan is to have any new polices into effect on May 1, 2018.

My hope is to have my work to you early next week. I would like for each of you to have a few days to read through it and then discuss. I hope that I have demonstrated my desire for each of you to have input on how the office runs on a daily basis. Your input on this policy manual is welcomed. I have always put a priority on the office being a team environment, and a place that each of you enjoy coming to on a daily basis.

I feel strongly that we currently have a wonderful Register of Deeds team with a great deal of knowledge on how to run an office correctly. Any future Register may decide to ignore what we put together but that will be their choice. I personally believe our efforts will be appreciated.

Time Off:

Part 1

The policy on this will go into greater detail but part if it **WILL BE** that we have 1 passport acceptance agent and 3 non-passport acceptance agents in the office at all times. This will include days off, pre-planned appointments, and community service events. This will not include functions in related to County Required Training or County Required Committees.

This is for "planned" time off. Things happen and if something arises that requires and adjustment the Register, or their designee, will be the one to determine how that day is handled. I would suggest any scheduling conflict be worked out before we get to that point.

Part 2

Do not put yourself down on the calendar for more time than you **CURRENTLY** have to take off. You have to have the time, or will have accrued the time prior to the day / days off you are seeking to take. And per Rockingham County Policy Manual SICK time can not be used for "planned" time off. You can build your vacation time, your comp time, or flex time to be used for "planned" time off. This will be explained in greater detail in the policy but if you currently have yourself down for more time off than you have, or will have when that date gets here, **you need to make adjustments to the office calendar by removing some of your days.**

I have reviewed May through December and done the math of everyone in the office. If you are not sure where you stand please feel free to come see me.

I just ordered a back up Otter Box carrier for \$10.49 in case this one breaks. I wanted one put back just in case. And I think when I did this I ordered a second desk thing like I got Stacie. I was scared to delete it because I was worried it would delete Stacies... so we might have two of them coming.

To renew is \$10 for a current photo and \$110 to the U. S. Dept. of State per adult. (so you save \$35.00 per renewal). We can't charge the \$35.00 processing fee for a renewal. So that's \$70.00 bucks you saved.

You and Kelly would be \$220 on one check and \$20 cash or check to us for your two photos. We would help you put it together but you would have to mail it. Bring your driver's license and old passport books.

Your kids would be \$110 for the 16 year old and \$80 for the 13 year old. Bring both of their birth certificates (certified copy). This would be one check to the U. S. Dept. of State for \$190.00 and one check / cash for \$90 for processing fee (mailing & photo). The fees are set by the US State Dept so same price anywhere you go. But here your money stays in Rock. County....

So your looking at:

\$220 check for you and Kelly (U. S. Dept. of State)

\$190 check for the kids (U. S. Dept. of State)

\$110 cash or check to the Rockingham County Register of Deeds gets you four photos, your kids NEW applications filled out and mailed.

Total: \$520.00.

CAUTION: This email originated from outside Guilford County. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Attached is a DS-11. Print out a copy and fill out the areas shaded in Brown on the last two pages. Bring a Certified copy of everyone's birth certificate. If you don't have one we can get you one for \$10.00 if you were born in Rockingham County, \$24.00 if you were born in North Carolina but outside Rockingham County (Guilford County), and if you were born in another state we can't get those. Bring valid driver's license for each parent and checkbook. If you do not have a checkbook bring a cashiers check or money order made out to the U. S. Dept. of State.

Adults are 16 and up and good for 10 years. Juveniles are 15 and down and good for 5 years.

\$110.00 check per adult made out to the U.S. Dept. of State on ONE check and \$80.00 for the one juvenile. So the check to the U. S. Dept. of State should be for \$410.00 to cover your family. If your getting it expedited (**you need it faster**) add another \$60.00 per person. And a second check to the Rockingham County Register of Deeds for \$180 (or cash).

\$45 per application will be paid to the Rockingham County Register of Deeds (Check or Cash). That's for your application processing, photo, and mailing (out the door).

If I understand your situation your wanting THREE adults and ONE Juvniles. So that's one check for \$110.00 X3 and \$80 X 1, and then \$45 cash or a second check X 4 to the Rockingham County Register of Deeds.

It takes about 5 weeks to get it back. If you expedite it that's another \$60 but you should get it back in about 2 1/2 weeks.

Hope this helps

Hi both,

I have published the website for Rockingham slave data please use the link provided below to access the site. The search page is fairly self explanatory and simply double click a row from the search results to look at the document in greater detail i.e. all of the data provided in the spreadsheet for individual records.

<http://72.15.246.184/RockinghamHistorical01>

Couple of things to note generally with this site.

(1)On the search page below the line informing the user of the number of found records is a "More Information" link.

This is an informational pop-out window than appears when clicked to provide some background to the user. I have created some dummy placeholder text which can be easily replaced with something authored by the RoD team. If you don't want this pop-out window it is simple to remove.

(2)On the detail page I created a simple dummy line of text at the bottom.

This as a placeholder which can either be removed or altered to something the team desired.

I encountered some integrity issues with regard to the data, mainly around dates. For the short term, in order to get the data available in the site I made some decisions (which I am about to share with you). Some of those decision were obvious and need to further action but some I think will need a little support from your team to double check and correct the source data.

Please see the attachment for the data issues and follow up items (Data_issues.pdf).

Please let me know if you have any questions

Thanks
Martin

Passports, we are sitting at 584 at the end of April. So with 120 in May and June we will be at 704. So 700 is a reachable goal but I would not want to go any higher. When I first presented the idea to the County Commissioners and Lance I projected 750 based off of the populations and numbers from the other counties already doing them. We got off to a really slow start with 12 in June and 12 in June (2016) but for the last five months have been at 60 or higher. But this is the busy season... so it's hard to tell. I think we will be between 700-750 most years. I also projected \$27,000 in additional revenue from the Passports. We are at about \$22,000 now with two months to go... so I think we will hit the \$27,000 mark.

Veterans card... the VA has started issuing cards and so has the state on driver's license and it's cutting into our numbers. We are setting up this Memorial Day at Fair Funeral Home again so we shall see.

Look this over and email me back if you two are ok with this. At the end of March we were at 505 passports. I think we have done about 70 in April. So we should be at about 575. If we do 60 and 60 then we will be at 695. I am going to ask him to drop that number to 675. The Veterans ID Card we have dropped to 50 already. Anything else?

Subject: Matricula Consular Card

Security of Mexico's Matrícula Consular

The matrícula consular is available to any Mexican citizen living abroad. Applications for the matrícula must be submitted in person to consular officials. The applicant must present a Mexican birth certificate accompanied by a photo ID issued by a Mexican government authority, such as a voter registration card, passport, military service card, or expired matrícula. If the applicant cannot provide these documents, the consulate confirms the applicant's identity by investigating his or her background through authorities in Mexico.

Additionally, the applicant must provide some proof of their address in the U.S., usually a utility bill, and that address must be within the consular district of the consulate issuing the card. The information, card number, and a digital photo of the applicant are recorded by the consulate and sent to a central registry in Mexico.

Critics say that the documents used to verify identity and citizenship when the cards are issued can be falsified. They cite a case in which a Mexican arrested on immigration violations was found with three matrícula cards in different names. They also argue that it would be possible for a national of another country to obtain a matrícula by fraud.

Proponents suggest that the matrículas are comparable, in terms of security, to U.S. state-issued driver licenses. Sophisticated tamper-proof holograms make the cards extremely difficult to forge or modify. Soon, say supporters, the matrículas will have a security feature that driver licenses do not: Mexico is creating a computer network that will give all consulates instant access to information on cardholders.

I was not up to date on the Matricula Consular card but after doing some reading I believe we should take it. Thanks for bringing it to my attention.

Mr. Sinclair,

I have attached some information that Mr. Mark McClintock of the Rockingham County Tax Department was able to locate. This is **not a TITLE search** and the records may not be a complete chain of title. You will need to research the grantor & grantee records and the estates between these deeds. You will also notice some different spellings. This is just a starting point.

Anything beyond this will require a title search which a local attorney could do for you.

On Monday, May 28th, the Fair Funeral Home will be hosting their annual Veterans Day event. We have been asked to set up our mobile Veterans Discount Card system again. If you would like to participate please email me back so I can confirm with them that we can staff it again.

We would need to be set up at the Morehead House in Eden at 3:00 PM. Music and program are 4:00 to 6:00 PM. So we would be on site from 3:00 to about 6:00 PM on Monday, May 28th. Anyone willing to help would get 4 hours comp time to cover your drive time from your house and back home.

Takes for getting back to me.

Because we don't charge for production it would actually cost the same. We have very limited space (we can only sell 14 30 second commercials spots) so the cost is basically leasing one of those spots. But one thing to consider is your commercial would run during the peak summer blockbuster season, yet we don't jack our prices up when bigger movies come out. Television and radio try to take advantage of "prime time" or "drive time" we don't. We just try to come up with a fair price and we stick to that price year round.

Let me know if you want me to send over the agreement.

Attached is a DS-11. Print out a copy and fill out the areas shaded in Brown on the last two pages. Bring a Certified copy of your birth certificate. If you don't have one we can get you one for \$10.00 if you were born in Rockingham County, \$24.00 if you were born in North Carolina but outside Rockingham County (Guilford County), and if you were born in another state we can't get those. Bring valid driver's license and a checkbook. If you do not have a checkbook bring a cashiers check or money order made out to the U. S. Dept. of State.

Adults are 16 and up and good for 10 years.

\$110.00 check per adult made out to the U.S. Dept. of State on ONE check. So the check to the U. S. Dept. of State should be for \$110.00. If your getting it expedited (**you need it faster**) add another \$60.00 per person making it \$170.00. And a second check to the Rockingham County Register of Deeds for \$45 (or cash).

So your looking at \$110.00 and then another \$45.00 if you do not expedited it.

\$45 per application will be paid to the Rockingham County Register of Deeds (Check or Cash). That's for your application processing, photo, and mailing (out the door).

It takes about 5 weeks to get it back. If you expedite it that's another \$60 but you should get it back in about 2 1/2 weeks.

I am working on a policy manual for my office. It's been an on going process but I am nearing completion. But to answer your questions.

1. We have a break room and some still try and eat at their desk. As long as they are helping people when people come in I am not making a big deal out of it. If it's not broke don't fix it... and nobody is fussing about it so it is what it is. I would rather them eat there then to have to find them in the break room.
2. No, if they are not busy they can talk on the phone
3. I have put into place they need to stay off of FB 8:00 to 5:00 PM but they do text from their desks. The more they are on their phones the less they are talking to each other... and the less they find stuff to fuss about.
4. They have assigned 1 hour break / lunch times

Good morning everyone,

I am making a few personnel policy changes and am interested in hearing your thoughts. Here are my questions...

1. For those of you who do not have an employee lounge or breakroom, do you allow staff to eat at their desks? If not, how do you handle that?
2. Personal phone calls...Do you have policies in place that prohibits personal phone calls made from office phones?

3. Do you have a cell phone policy? Do you allow staff to have them out at all?

4. Do your staff get timed breaks throughout the day?

I ask because, in my four months, I've observed some wasted time in the office. With only three of us in the office, every minute counts, so I'm trying to cut out wasted time and improve efficiency. I am very interested in how you handle these situations in your own offices. Additionally, if there are any other policies you have in place that you believe I could benefit from, please let me know. Ultimately, I will do what I think is best for Stokes County, but I very much want to hear your responses to my questions.

Thanks for your attention to this and thanks in advance!

Attached is a DS-11. Print out a copy and fill out the areas shaded in Brown on the last two pages. Bring a Certified copy of your birth certificate. If you don't have one we can get you one for \$10.00 if you were born in Rockingham County, \$24.00 if you were born in North Carolina but outside Rockingham County (Guilford County), and if you were born in another state we can't get those. Bring valid driver's license and a checkbook. If you do not have a checkbook bring a cashiers check or money order made out to the U. S. Dept. of State.

Adults are 16 and up and good for 10 years.

\$110.00 check per adult made out to the U.S. Dept. of State on ONE check. So the check to the U. S. Dept. of State should be for \$110.00. If your getting it expedited (**you need it faster**) add another \$60.00 per person making it \$170.00. And a second check to the Rockingham County Register of Deeds for \$45 (or cash).

So your looking at \$110.00 and then another \$45.00 if you do not expedite it.

\$45 per application will be paid to the Rockingham County Register of Deeds (Check or Cash). That's for your application processing, photo, and mailing (out the door).

It takes about 5 weeks to get it back. If you expedite it that's another \$60 but you should get it back in about 2 1/2 weeks.

I assume your talking about the block letters over Susan sitting at a desk that read "U. S. Passports" with a Golden Eagle on each side? If so I had a local guy make those with a laser cutter. If you know anyone that works with wood you can have those made to fit the space your looking to fill. Some hobby shops will have letters like that as well. But those were locally made and I wish I could tell you where to order something like that but I can't. And the guy that made them screwed us on some other work so I would not want to ask him to make more.

First,

I know you may get tired of the "we had a great month" emails but I don't get tired of sending them. April 2018 was \$51,432.89 total in revenue for the county. That is \$9,042.48 above April 2017 and \$9,706.07 above the last six year average. I don't know how many Aprils I would have to go back to find a better one but I am guessing 2011. So great job....

Second,

I have put some little square business style cards out in front of Chery's working station and near the passport forms on the outside shelves. They are for "Grief Share" held on Mondays from 6:00 pm to 8:00 pm at Osborne Baptist Church.

I do not attend Osborne and I am not trying to promote anything but I thought that a lot of people that come to get death certificates are dealing with depression or they may be having difficulty dealing with a loss. To my knowledge this is the only organized grief counseling type meeting in Rockingham County. If you notice someone may need somewhere to go and get some help with the passing of a loved one please advice them to take one of the Grief Share cards. It may lead to someone getting some much needed help.

Again, thanks for all that each of you do.

Mrs. Ferrell,

I had someone from DSS advise me that they didn't know they could get out of county birth certificates from our office. Anyone born in North Carolina after 1971 we can get for your office. It's \$24.00 for out of county and \$10 for in county. The \$24.00 I can't do anything about because the state charges us that. But if you need an in county one please let me know and we will be glad to assist you.

Martin put the site together and it was released to production (it is live). I think that Ben responded with some feedback that he wished it was more like Jeff's in Guilford. We took a look at the Guilford site and I asked Martin to make a few changes to the your Rockingham site. He has been working on them and the updated site should be available by the end of next week.

I think Ben had asked previously that it be completed by the end of May and that is what we are shooting for.

Best,

I would like someone from records to talk about their responsibilities. The next stop will be the patrol deputy's room. I will give a brief talk about the road deputy responsibilities. We will then walk around and enter the courthouse. We will visit the Register of Deeds and Clerk of court. If Mr. Curtis or Clerk of Court Mark Pegram available they will talk to the students. Finally we will go to one of the courtrooms that is empty. I will explain what happens in the courtroom.

Good Morning,

The actions taken in the initial minutes of an emergency are critical. A prompt warning to employees to evacuate, shelter or lock down can save lives. A call for help to public emergency services that provides full and accurate information will help the dispatcher send the right responders and equipment. Action taken by employees with knowledge of building and process systems can help control a dangerous situation and minimize damage to the facility and the environment. At the very least, every department should develop and implement an emergency plan for protecting employees, visitors, contractors and anyone else in any of our facilities.

Please share this information with your staff and use this as a tool for training.

Thanks,

Rockingham County Government

Subject: Register of Deeds Office Update

On 1/27/17 I sent my original email to the County Commissioners "officially" advising that we had been approved as a passport acceptance agency. And on 2/22/17 I emailed Mr. Metzler and Mr. Murray my projections for how our office would perform when compared to the other three Register's Offices that already provided passport services.

Our first official date was June 12, 2017 so after our one full year we have processed 668 passport applications and generated \$26,902.00 in additional funds. In my original email to Mr. Metzler and Mr. Murray I projected an additional income of \$27,000 so I was off \$98.00. But to be fair that projection included the new Notary Services that was added in March of 2017. The Notary Services has generated \$905 since July of 2017 (181 customers). So with both we ended up at \$27,807.00.

The cost of starting the passport project was originally \$1,182.00. Due to the success we have had we set up a second work station (\$484) and ran a commercial in the local theaters (\$1,400). So our total investment has been \$3,066 but we now have two fully functioning work stations for passports and ran a commercial for 90 days. The net profit of our first year is \$24,741.00.

As I emailed about our March 2018 our office and the county are doing very well. At \$57,042.25 our March 2018 was the best month since October 2011. Our April was \$51,432.89 which was \$9,042.48 over April 2017. And this past May was \$72,776.33.

\$72,776.33 is higher than any of the records I have for this office going back to 2007. Can't tell you the last time this office was over the \$70,000 mark. So we are having a great year!!

I am sorry to bother you again, but we have another issue with the May statement.

On May 23, 2018 Catinia submitted a search (request #1413 - Hunter) and received a pop-up to call Vital Records. She called Vital Records and was told there was an issue with paternity and that the certificate could not be issued at that time. She was told that the search fee would be removed, however it was still charged on the May statement.

Can you remove this search fee and send an updated statement?

We received the May statement today and have one issue.

On May 8, 2018 Cheryl submitted a request (#1401 - Ardena Burris) and received a pop-up to contact Vital Records. Cheryl called Vital Records and talked with Peggy who informed her that the pop-up was due to the father being born in a different country. Peggy removed some sort of "flag" and Cheryl was instructed to perform another search (#1402) and that the search fee of \$14 for request #1401 would be removed.

In reconciling the statement it appears that the search fee for #1401 was never removed. Can you please remove this fee and send me a new invoice?

Can you tell me the date of our oldest record and the date of the most recent record? The most common last names of the slaves? How many slave deeds we have? That will give me something to work with.

Hi Everybody,

We are working to get the revised site stood up today. I do have a question about the data. In the spreadsheet some of the records reference that they are found in book 2dSA? I don't see that there is a scanned book for this. Am I wrong? In other instances I understand that when the data says book 2dA it is referring to Deed Book 2A. However, following this logic I still do not see a Deed Book 2SA.

Thanks,

Charlie

I will have to do some research but a \$72,000 month is \$15,000 above anything I am aware of and I went back 10 years when I got there.

Ben,

Please see the copy of the email sent by Kelly in finance. Apparently a mistake was made in calculating salary for the year we are in and we have a shortfall of \$8300.00. I have attached a copy of an up to date budget but we still have bills in transit. I have written the amount we can pull to the right of the line item. Take a look and let me know what you think. Not sure we can use the 850.00 on the last page because it is automation/preservation funds.

Daughter: 17 years old

Attached is a DS-11. Print it out and fill out the areas shaded in Brown on the last two pages. Bring a Certified copy of her birth certificate. If you don't have one we can get you one for \$10.00 if she was born in Rockingham County, \$24.00 if they were born in North Carolina but outside Rockingham County, and if they were born in another state we can't get those. Bring her valid driver's license and a checkbook.

\$110.00 check per adult made out to the **U.S. Dept. of State** on ONE check (Must be check or money order). Age 16 and up is considered an ADULT.

\$45 per application will be paid to the **Rockingham County Register of Deeds (Check or Cash)**. That's for your application processing, photo, and mailing (out the door). So \$45 cash or a second check to the Rockingham County Register of Deeds.

It will be \$155.00 total but it's \$110 to the US Dept of State and \$45 to the Rock. Co. ROD.

We do passports Monday through Friday on a first come first serve basis. 9:00 AM to 1:00 PM and then 3:00 PM to 4:00 PM. We break 1-3 for lunches and to catch up on paperwork. And what comes in is mailed that day so we stop at 4:00 so we can be at the post office by 4:45 PM.

If her method of payment is a check and it has her parents name that will cover the parents consent part. By law she doesn't need it at age 17, but they like to have it.

If you have any more questions call me back at 613-6314. Anything I can do for my old neighbor Charlie! LOL
