Good morning, Jaime!

Thank you for checking in. I am comfortable sharing a couch with someone.

Good Morning All,

I wanted to check in with you all about the stage set up on Thursday. There will be a total of 6 people on stage for this panel, so space is a bit more limited than previous nights.

There are 4 separate seating options set on the stage, 2 of which are longer couches. I have attached an image so you can see the layout. I just want to gauge your comfort level with sharing one of the couches with another panelist? If you are not ok with it, please just let me know and we can figure out some other options if needed.

Thank you and looking forward to seeing everyone on Thursday. Please let me know if you have any questions.

Jaime
