The terms are acceptable to me.

Please send particulars in terms of the format, your expectations of me in terms of targeted points of reference, names and profiles of the other panelists, time allotted for presentations, and just the overall setup and logistics.

Thank you so much for thinking of me.

Good afternoon, Ms. Matthews.

I am looking forward to being a part of this important event - and staying in touch as the long-range work unfolds. I am available for the June 3 event.

While I can glean what is expected of me in my role to discuss "The Past," and extrapolate that to give a presentation on subsequent racial and economic discrimination and their lingering effects (in Buncombe County), that calls for me to conduct some detailed research on some of the particulars; the lingering negative effects on Blacks' health, finances, housing, education, and labor.

What are you offering in terms of a stipend for my time to do the research, to travel, and to participate in this event?

Thank you, and I look forward to hearing from you again soon.
